

AMRI Hospitals opens the first City OPD & Information Centre of Bhubaneswar at Sastrinagar

Bhubaneswar, 17th Jan, 2015: In an endeavor to reach out with world class medical care further closer to the people of Bhubaneswar, **AMRI Hospitals, Bhubaneswar**, a 400 bedded multispecialty hospital has opened its first OPD & Information Centre (City Centre) for the city at Sashtri Nagar, located next to “The World” Mall and Kalinga stadium.

The City Centre, located right at the heart of the city, will have three chambers where people can come and consult specialist doctors. This facility, with a well-furnished waiting area, will also offer services like Home Sample Collection, free pick up and drop Ambulance services for critical patients, and ECG. A **BLS** (Basic Life Support) Ambulance will also be stationed at this centre to cater to any medical emergency, if required. The centre will remain **open** from 8.00 A.M to 8.00P.M every day.

Inaugurating the City Centre, **Shri Anant Narayan Jena, Mayor, BMC** said, “Opening a City Centre in this area by AMRI Hospital is the right step towards achieving the smart city status.”

Adm Dr.Salil Kr. Mohanty, SM, VSM, Vice-President & Unit Head, AMRI Hospitals, Bhubaneswar said that, “ AMRI Group is committed to provide world class advanced healthcare to the community and reach out to people as closely as possible. AMRI Hospitals Bhubaneswar has already taken certain initiatives to this effect by introducing free sample collection services, free pick up and drop facilities for critical patients, free report delivery etc. The new city centre is another major step in this direction to provide basic health care services to people in close proximity to their homes. It will be very convenient especially for senior citizens and geriatric patients living in this area.”

Prior to this, similar centres have been started by AMRI Bhubaneswar in other cities like Puri, Angul and Berhampore which have been found to be highly beneficial for the medical needs of the local people of these regions.

The hospital with world class infrastructure and ambience located at Khandagiri has been operational since January, 2014 and has been providing latest state-of-the-art Medicare at a very affordable cost. Within a very short span of time , AMRI Bhubaneswar has been able to introduce all the broad and super speciality services including kidney transplant.

AMRI, Hospitals, Bhubaneswar is, a part of the **AMRI Group of Hospitals**, Kolkata , the largest and the fastest growing chain of private hospitals in Eastern India

About AMRI Hospitals Ltd

AMRI Hospitals, a multi-speciality healthcare facility in Eastern India with specialization in Oncology, Neuro Sciences, Cardiac Sciences, Orthopaedics, Emergency & Trauma care, Gynecology & Childcare is the largest player in private sector with its existing strength of around 1000 beds. With its state-of-the-art equipment and modern facilities, AMRI is ensuring that people from Eastern India are provided affordable high quality medical care in the region, so that patients need not travel to other parts of the country for medical treatment. Capacity expansion is also underway at AMRI for additional beds in its existing facilities in

Kolkata. A 400 bedded state-of-the art super-specialty hospital has recently become operational in Bhubaneswar. AMRI Hospitals will soon be setting up a new 400 bedded facility in West Bengal with an investment of Rs.500 crs. The Group is committed to serve the people of Eastern India and has plans to add another 600-700 beds in the next 3-4 years.
