

AMRI MUKUNDAPUR OF KOLKATA ORGANISES A FREE HEALTH CAMP ON HI-END NEURO SCIENCE FACILITIES FOR PATIENTS IN IMPHAL

Imphal, April 7, 2016: Kolkata based **AMRI Hospitals, Mukundapur** organised a free health camp on **Neuro Disorder** at Sky Hospitals & Research Centre in Imphal, today. The AMRI Hospitals (Mukundapur) Health Camp was presided by **Dr. Sisir Das** (MS, MCh, Clinical Fellowship – Neuro Oncology, Director and HOD, Neuro Surgery, AMRI Mukundapur along with Mr. Rajesh Pareek, Facility Director of the Mukundapur Unit of AMRI Hospitals. Patients with neurological disorders in and around Imphal got themselves registered for free consultation and were highly benefitted with the specialised medical advice imparted at the camp by the medical experts of AMRI Mukundapur.

Hailing this initiative, **Mr. Rupak Barua, CEO, AMRI Hospitals Ltd of Kolkata** said “AMRI Hospitals Ltd is committed to deliver international standard expertise and exemplary service to all sections of the society at an affordable cost. AMRI being one of the largest chains of private sector hospital in Eastern India have been serving the people of Eastern India for years. We now wish to spread our services to a larger number of patients in Eastern part of the country and cover a bigger geographical radius which definitely includes the North East. This endeavour of organising the free health camp on neurological disorders by AMRI Mukundapur, is a step towards that. Many a times, people suffer due to lack of knowledge about the best of medical facilities that they can be avail easily at a nearby location. Through this camp, we want to spread the awareness among the people of Manipur about the latest technology based comprehensive neurology and neuro surgery facilities that are available at AMRI Mukundapur in Kolkata where they can travel for getting effective treatment. On behalf of AMRI Hospitals we assure to serve you with our most advanced technological facilities and the most committed medical team.”

Neuro Science & Stroke Management at AMRI Mukundapur: AMRI Mukundapur has the most advanced Neuro Care and Stroke Care unit of Eastern India with internationally trained experienced stroke specialists, latest equipment, highly skilled nursing staff, technicians and neuro rehab experts, who are committed to serve 24x7. Among the high end neuro diagnostic facilities, there are user friendly, low noise 1.5 Tesla MRI with 70 cm wide gantry, World’s first high definition 128 slice Gem Stone Technology based CT scan for faster, accurate and highly precise diagnosis to name a few.

The Neuro surgery department of AMRI Mukundapur brings in the latest techniques and expertise available in eastern India for deep seated tumor surgery or any kind of complicated brain surgery. It ensures very high success rate with minimum physical deficit with its latest technology, high end equipment and techniques like operating microscope with yellow filter, neuro navigation, Functional MRI, CUSA to name a few. These most advanced techniques help to reach the tumor deep inside the brain most precisely with minimal damage to normal brain cells. Even Lumber Discectomy (spinal surgery for disc prolapsed) has become simpler now, which is done on day care basis. The team comprises dedicated full time highly experienced and renowned neuro surgeons, neuro anaesthetists, highly skilled nurses and technicians and specialized rehab experts. AMRI Mukundapur ensures complete neuro care to ensure faster recovery with minimal complications.
